

**Planning Clearance Application
NASA Ames Research Center**

Planning Clearance Application Number: (to be added by the NASA Ames Planning Office)

Date of Application: _____

Name of Proposed Construction Project: _____

Name of Applicant: _____

Company/Organization of Applicant: _____

Business Address of Applicant: _____

Business email address of Applicant: _____

Business telephone number of Applicant: _____

Name of Organization or Company for which the proposed construction work is to be performed:

NASA Ames Research Center Project Manager (POC): _____

Building, Facility or Location where the proposed construction work is to be performed: _____

The proposed construction work is (check the most appropriate classification):

_____ New exterior construction, site work only and no structures or buildings

_____ New exterior construction, site work and structures or buildings

_____ New interior construction including remodel and renovation. No exterior construction or modifications involved.

_____ New interior construction of systems only (electrical, data, fire alarm, security, plumbing, fire protection, process piping)

_____ Demolition, site work only and no structures or buildings

_____ Demolition, site work and/or structures or buildings

A description of the proposed construction work: _____

Purpose for performing the proposed construction work: _____

Square Feet and/or acres of the area of construction work: _____

How long will the proposed construction work/improvements be required for the intended use:

What is the current use and/or most recent use of the area where the construction work is to take place: _____

Schedule for starting and completing the proposed construction work: _____

Current estimated cost of all proposed design: _____

Current estimated cost of all proposed construction work: _____

Total design and construction cost: _____

Funding for the proposed improvements:

What is the source of funding for the proposed construction work: _____

Is the funding already committed for the proposed construction work? _____

If the funding is not already committed, when will the funding be committed and available? _____

Is there any uncertainty that that funding will be available for the proposed construction work? _____

Note: Additional information may be requested by the Ames Planning Office depending on the information provided above by the applicant.

By submitting the Planning Clearance Application to the NASA Ames Construction Permit Office, the Applicant attest that the information provided on the Planning Clearance Application is true and correct to the best knowledge of the Applicant on the date the Planning Clearance Application is submitted.

Planning Clearance Review Determination

Name of Planning Clearance Reviewer: Rocci Caringello

Organization Planning Clearance Reviewer: Code JCE

Business email address of Planning Clearance Reviewer: tony.r.caringello@nasa.gov

Business telephone number of Planning Clearance Reviewer: 650-603-9506

Date Planning Clearance Review is completed:

Planning Clearance Review Permit Fee Required:

Has the Planning Clearance Review Fee been paid?

Determination of Planning Clearance Review Determination (Planning Clearance Reviewer to select one of the below):

☐ **Approved**

☐ **Approved with Conditions of Approval**

☐ **Disapproved**

Conditions of Approval:

Provide the following NASA Forms:

☐ **1046 Transfer and/or Notification of Accountability of Real Property (within 30 days after completion)**

☐ **1509 Facility Project-Brief Project Document**

☐ **1510 Facility Project Cost Estimate**

☐ **1739 NASA Projects – Alternate Future Use Questionnaire**

Reasons for Disapproval:
